[Note: Courses used to satisfy the American Studies minor may also be used to fulfill the “related” course requirement of a student’s major; however, in most cases a student may *NOT* use American Studies courses to fulfill major field requirements *AND* those for the American Studies minor (English students may so use 270 or 271; Art History students may so use ARTH 254)].

Please provide a brief rationale for your choice of courses to fulfill the track requirement:

I approve the above program as meeting the requirements for the Minor in American Studies:
